

Monarch[®] MWS[™] (Mobile Work Stations)

Perfect for In-Store or Distribution Center
Mobile Printing Applications.

Monarch[®] MWS[™] (Mobile Work Stations)

Mobilize your Sales Associates so they are on the sales floor ready to satisfy the demands of your customers. Increase selling space, increase customer service levels and increase store revenue. Improve operating efficiency in your D.C.

Take the printing solution to the products to be labeled, not vice versa!

Monarch[®]
Products & Services

Choose the Monarch MWS™ That's Right For You!

Mobility is Key!

Mobility is the key to increasing your productivity, profits and position in the market place. Choose the Monarch MWS that's right for your business.

Monarch® 9878™

In-store model for light to medium duty print requirements on the selling floor. Ideal for the Monarch® Pathfinder® Ultra®, Sierra Sport® and HandiPrint® series printers and chargers. Enough power to support a lap top and printer for signage.

Monarch® 9876™ and 9878™

Our Distribution Center (D.C.) MWS models are key for heavy duty print requirements. Perfect for printing shipping carton labels, these MWS's have 24 VDC

power systems for direct connect to Monarch's 9825CR and 9855CR bar code thermal printers. To power other devices such as terminals or sign printers, add the 300 or 600 watt pure sine wave AC Inverter.

Monarch® 9872™

Specifically designed to provide the power and mobility to support full color laser sign printing on the sales floor!

Monarch offers a broad selection of MWS to meet the needs of your business. If your needs are not fully met with our current selection, **we are prepared to custom design a MWS especially for you.**

Monarch® 9871™

In-store model for medium duty print requirements on the selling floor. Ideal for the Monarch® Pathfinder® Ultra®, Sierra Sport® and HandiPrint® series printers and chargers. Optional upgrade package power to support a printer for signage.
